

ART IN PUBLIC PLACES

OSTRAVA!!!

"METROPOLIS OF ART"

Ostrava is full of impressive murals and well-done graffiti. Discover the most interesting of them!

PLAN OF OUR ROUTE

DOLNÍ VÍTKOVICE

In Dolní Vítkovice itself, more examples of street art can be found, but the walking route ends with another large-format, this time abstract, mural, which enveloped the building of the VII hotel next to the Bolt Tower. The author of this nameless work is the Czech artist Jan Kaláb.
